IN MEMORIAM

In memory of our beloved classmate, Betty Gross,
who left us on February 13, 1953.

"Not till each loom is silent,
And the shuttles cease to fly,
Shall God unroll the pattern
And explain the reason why
The dark threads were as needful
In the Weaver's skillful hand,
As the threads of gold and silver
For the pattern which he planned."

SENIOR CLASS HISTORY

On September 2, 1941 the sun rose at its usual time and everyone was busy going about their tasks. Little did they realize that this day would go down in history. It was on this day that the "Class of '53" began. Twenty boys and eleven girls were beginning their school year under Miss Madge Dolly. They were as follows: John Abel, Eugene Argento, Joyce Beers, Janice Bell, Marcia Jean Bolin, Jack Brinkman, Lucille Brinkman, William Crislip, Billy Crilley, Ruth Ann Crone, Donald McDonald, Vance Douglas, Eugene Duerr, Jeretta Finley, Anna Mae Green, Robert Hardgrove, Bud Labus, James Lindsay, Charles Meek, Merle Meek, Verle Meek, Dorothy Myers, Franklin Price, Carol Rausch, Lorin Shrover, Ruth Shrover, Johnny Van Meter, Kay Whitlock, Jack Wilson and Joe Wilson.

In our second year with Miss Mathey, the present Mrs. LaFollette, as our teacher we found we had lost Kay Whitlock, John Abel, William Crislip, Charles Meek, Jack Wilson, and Joe Wilson. Our new class members were Bobby Brannon, Twila Humphrey, Ronald Overdorff and Phillip Rufener.

As third graders we found Miss Banker as our teacher. We made a few changes by adding Betty Hein, Gretchen Kastor, Pearl Kennison, and Ellsworth Tope, while we lost Joyce Beers, Vance Douglas, Robert Hardgrove, Anna Mae Green, Ronald Overdorff and Eugene Duerr.

In the fourth grade we had Miss Annabelle Rudolph as our teacher. The additions to our class were Goldie Anderson, Charles Carling, Dan Dean, Don Dean, Delbert Holcomb, and Leonard Porter. We lost Robert Brannon, Betty Hein, Twila Humphrey and Verle Meek.

In the fall of '45 we again found Miss Annabelle Rudolph as our teacher. This year we gained John Flowers, Shirley Gregor, Lester Ley, and Dorothy Pealy while we lost Jack Brinkman, Gretchen Kastor, Pearl Kennison, Donald McDonald and Leonard Porter.

In our sixth year we found Mrs. Emma Gudekoontz to be our teacher. We were well pleased. We gained Dick McGuire, Jim Ray and Henry Young. We lost Charles Carling and Wayne Lindeman.

We were now seventh graders and thus moved to the second floor. We found the change in classes quite exciting. Again Mrs. Emma Gudekoontz was our home room teacher. We had four new members: Bill Barkheimer, Diane Berston, Chuck McGuire and Lesley Zurfley.

In our eighth year with Mr. J. H. Proper as home room teacher, we lost Eugene Argento, Lucille Brinkman, Billy Crilley, Chuck McGuire, Dick McGuire, and Delbert Holcomb. Thus ended our first eight years of our school life.

The following fall in September 1949, we entered High School. This year we felt much older. Due to a traffic accident we lost John Flowers. Our home room teacher was Miss Annabelle Rudolph. The faculty consisted of Mr. Proper, Mr. Huff, Mr. Bonvechio, Miss Rudolph, Mr. Baker, Mrs. Congleton, and Principal, Mr. Riley.

Mr. Huff was our class advisor during our Sophomore year. This year we lost Bill Barkheimer, Diane Berston, Lester Ley, and Henry Young. The faculty consisted of Miss Rudolph, Mr. Huff, Mr. Prazniak, Mr. Proper, Mr. Baker, Miss Sill and Principal, Mr. Stover.

Being Juniors we really felt wonderful. During this year we presented a three-act comedy "Comin' Round the Mountain". It was directed by Mr. Proper and proved to be a great success. Another big event of the year was the Junior-Senior Banquet, held at the Pines in Canton, Ohio. Jack and Joe Wilson and Jack Ayers were new members, while we lost Jim Ray and Dorothy Pealy. Faculty consisted of Mr. Huff, Mr. Proper, Mr. Prazniak, Mr. Baker, Miss Sill, Principal D. W. Stover and Miss Musgrave, our home room teacher.

In September 1952, we returned for our senior year, feeling very dignified and important. We presented a three-act comedy "Mama's Baby Boy", directed by Miss Musgrave. Delbert Holcomb joined our class while we lost Jack Ayers and Ellsworth Tope.

Mr. Huff was our home room teacher. Others on the faculty were Mr. Heacock, Mr. Santee, Miss Musgrave, Mr. Baker, Miss Ruth Pierce and Principal, Mr. Stover.

Those who started here in the first grade and went all twelve years to M.C.H.S. are: Janice Bell, Marcia Jean Bolin, Ruth Ann Crone, Jeretta Finley, Betty Gross, Jim Lindsay, Dorothy Myers, Franklin Price, Carol Rausch, Lorin Shroyer, Ruth Shroyer, Johnny Van Meter.

SENIOR CLASS PROPHECY

It is the year 1963 as we look back at the members of the graduating class of 1953 at Mineral City High School.

Joe Wilson, Jack Wilson, and Kelly Shrover have formed the W. W. S. Television Broadcasting Company. Lately they have designed a new television set, now on the market, which picks up stations from all over the world.

Shirley Gregor, well-known movie actress and singer, is featured on her own weekly show over the W. W. S. Broadcasting System. Frequent guests on Shirley's program are Janice Bell and Phil Rufener. Janice, world famous clarinetist, has just returned from a strenuous concert tour of Europe and the United States. Phil has become a popular entertainer. He sings and plays the piano. Recently he has been asked to play for the President of the United States and the Queen of England.

Shortly after graduation, Bud Labus purchased the Chevrolet division from the General Motors Company. He has moved his factory to Mineral City where he now designs his own cars. Incidentally, Bud is the sponsor of Shirley's television show.

Right across the street and running competition with Bud Labus is the largest garage in Mineral City owned by Johnny Van Meter. He has become an expert mechanic and has more business than he can handle.

The next basketball season after graduation, Jim Lindsay turned professional. He has had many great seasons and has covered the world with his champion team. His team never lost a game while Jim was playing. Last year Jim got tired of breaking records and he is now a referee.

The last report we had about Dan Dean was that he was discharged from the Air Force. While in the service, he became famous for the jet plane he designed. Now he has returned to civilian life and is United Airline's most valued pilot.

Soon after graduation Ruth Ann Crone joined the United States Olympic swimming team. After taking the world's championship swimming meet, she toured the world with her team. Now she has opened a recreation center in Mineral City and is teaching her famous swimming skill to the students at Mineral City High School.

Marcia Jean Bolin finally completed her ambition to become a nurse. About a year ago she accepted the position as Supervisor of Nurses at the world's new, largest, and most modern hospital, City Hospital located in Mineral City.

Shortly after graduation Franklin Price started his apprenticeship with the Warner and Swasey Company of Cleveland, Ohio and now has established a plant of his own that employs thousands of people in Mineral City.

Ruth Shroyer now runs the beauty shop known as Madam Ruth's and her assistant head dresser is Dorothy Myers.

We also have a new consolidated school building with Don Dean as superintendent. We also found Carol Rausch, who received her master's degree from Kent State, and Jeretta Finley teaching science.

Delbert Holcomb has now taken the place of Wally Cox in the television show "Mr. Peepers". His ability to get along with people in school has made him well liked by his television audience. This is another of the W. W. S. Broadcasting Company's programs.

A LETTER TO SANTA

M.C.H.S.

Christmas, 1952

Dear Santa Claus:

The little girls and boys in the senior class are putting in their order for Christmas. To start with, Janice wants straight A's all year long. Can you arrange it? Marcia Jean wants the basketball team to win the championship. Isn't that a nice thought, Santa? Dan wants a driver's license. If it is possible to get it to him before Christmas, he would appreciate it. Do you know what Jeretta wants? You'd never guess! She wants a yellow Buick convertible. And Delbert wants a water pistol. He should have fun if you can bring it. Quite a few of the seniors want cars: Ruth Ann wants a Cadillac—no particular color; Bud wants a new Chevy to replace the old black one; since Kelly seems to prefer Model-A Fords, he wants a brand-new one; Johnnie requests a two-tone blue '53 Oldsmobile; Jim said, "Can always use a new car." He didn't seem particular about the make. model, or color—just so it runs. Since Jack has a driver's license, he would like a car to go with it, too. Here is a boy with a different thought: Don wants a vacation in South Africa—time unlimited. Betty wants a new teddy bear and Dorothy wants a big Toni Doll. Joe isn't particular; when questioned, he said, "Name it and I'll take it." Ruthie wants a pair of alligator shoes. Getting stylish, eh? Franklin said, "All I want for Christmas is my two front teeth." And Phil said he wanted his diploma for Christmas. As for us, Santa, Shirley wants a ticket for a fast train to California and Carol wants a 4-year scholarship to K.S.U. If we're all real good girls and boys do you think you can bring us all these things?

Gratefully yours,

The Feature Editors

S. G. and C. R.

Over the school ground strolling slow
Just at the close of day;
Under the budding maples low
We're roving each winding way;
Clad in the garments of tender green,
Girded by vine-clad towers,
Earth in its beauty has no fairer scene
Than the heart in this school ground of ours.

CHORUS:
Strolling, strolling
Over the school ground in the spring;
Hearts and voices, praises of our dear H. S. sing;
Rising, falling, music is softly born in the breeze,
While we are idly strolling under the maple trees.
